## Driver – Unloading Procedure (with weighbridge)

- 1) Wait for unloading in the driver's cabin or in the parking area.
  - a) You will be called for unloading via CB radio (channel 23);
  - b) A kitchen, toilet, and showers are at your disposal. Please leave them clean after use.
- 2) After being called via CB radio, drive onto the weighbridge. Stay in the vehicle's cabin during weighing.
- 3) After the first weighing, proceed to the designated Gate for unloading.
- 4) Hand over the set of received documents to the warehouse worker responsible for unloading.
- 5) After unloading, proceed to the second weighing with the complete set of received documents. Stay in the vehicle's cabin during weighing.
- 6) After weighing, drive to the parking area. Take the complete set of documents received after unloading and go to the Office. There you will receive the necessary paperwork.
- 7) Thank you for your cooperation.

1 - Carpark; 2 - Service Office; 3 - Shower, toilet, kitchen; 4 - Weighbridge.
